Kristine,

I expect to get the Milestone Report out later this month. The delay has been pretty much all due to me as I've been pulled into a number of time-consuming issues I didn't expect to have to deal with. We do have the Milestone Rpt Table 1 in near final shape & could share that with you next week if you'd like. Let me know if you want Table 1.

Jim

Jim and Matt - When do anticipate delivering the JSCS Milestone Report to EPA? It was due back in June 2010, and it would be real helpful for me to have in reviewing the draft FS source control tables from the LWG.
